To

SECRETARY TO THE GOVERNMENT

OF HIS HIGHNESS THE MAHARAJA OF MYSORE,

GENERAL AND REVENUE DEPARTMENTS.

Muzrai Branch

Sir,

Adverting to Govt Progs No 1175-7 dated 15.9.1908 sanctioning a revised estimate amounting to Rs 4210/- for constructing the Anna Chattram at Rajamangala, I have the honor to state that having been informed by the Superintending Engineer that the present site was by no means eligible for constructing the chattram, I inspected the site on 21st February 1909 on my way back from Nelligere in company with the Executive Engineer, Mysore Division and found that it was rather difficult to get a firm foundation.

As it was suggested that the present site might be abandoned and the Chattram constructed

constructed on a different site, Venkata Subbairya and Ramanniah of Kasba Nagamangala voluntarily came forward and placed at the disposal of Government the marginally noted two sites free of cost for the purpose of constructing the Chatram.

To the sites answer the purpose I have issued orders to the Sub Divisional officer French Rocks Division to place the new sites at the disposal of the P. W. D. for the construction of the Chatram.

I request that my action may be approved.

I have the honor to be,
Sir,
your most obedient servant
